Hi Nick,

Here are the two project maps that we just spoke about...The sponsor group and the community of Jacumba at large would support the "Equity for Jacumba Alternative." We believe this is a balanced compromise.

Hi Cherry,

You can request for 10mins before you speak at the hearing. The Planning Commission can also grant you additional time if you request it.

Please let me know if you have any other questions.

Thanks!

Hi Nick,

I just want to be sure of the length of time that I will have for my JVR presentation as sponsor group chair before the Planning Commission on July 9th.

Will it be a five minute or ten minute presentation? PC-2 Policy states only five minutes but that the Planning Commission can grant more time. **How do I go about requesting that I be allowed a ten minute presentation on this controversial project?**

Please advise soonest.
