### MARCH 21, 2019 EIR PUBLIC SCOPING MEETING - COMMENT SHEET

I would like for this to just go away. I moved here 38 years ago to get away from all of this B.S. I want to look outside and see Gods Country and you want to cover it up and take all this beautiful nature away from us. I am on social security and it's hard for me to pay the higher electric bill now. I won't be able to afford to live when it goes up again. Unless you are going to reimburse us for our ~~tighter~~ higher bills, Please just go Away!!!
