*The data presented on this website was gathered from a variety of government sources. Nationwide Environmental Title Research, LLC (NETR) makes no warranties expressed or implied as to the accuracy or completeness of this data. This data is not to be construed as legal advice. The inclusion of a facility in the National Priorities List does not reflect a judgment of its owner or operator or make the owner or operator take any action. It also does not assign any liability to any person or company. It serves as a source of information by identifying facilities or other hazardous substance releases that appear to warrant remedial actions.
