Hi Katrina,

The July 9th hearing starts at 9am at the County Operation Center, which is located at 5520 Overland Avenue, San Diego, California. I have also just received word that the County will be having a hybrid Planning Commission hearing where the public can either speak in person at the hearing or over the phone.

The August 18th hearing starts at 9am at the County Administration Center, which is located at 1600 Pacific Hwy, San Diego, CA 92101. They are also allowing a hybrid hearing where the public can either speak in person at the hearing or over the phone.

Please let me know if you have any further questions.

Best,

Nicholas Koutoufidis, MBA

Hello Nick,

Can you please give us the meeting times. Many of us work and will have to try to schedule time off in advance.

Thanks,
Katrina

Hi all,

I have attached a draft copy of the proposed volunteer form which we will pass out at the Community forum tomorrow afternoon. **If you want any changes to the volunteer form, please get back to me NLT noon tomorrow before I print a bunch of them.**

FYI, I spoke with Nick yesterday and the project is moving forward... see tentative schedule below.

Cherry

Hi Cherry,

Good speaking with you today.

The Final EIR should be released next week.

I will have one copy for you and one copy for the Jacumba Library. I will or someone else from my department will be delivering them.

JVR is tentatively scheduled for July 9 PC and August 18th Board of Supervisors.

Also, as discussed, please see the link below for the Planning Commission procedure.

Hi Nick,

I haven't heard anything from you since I since i sent you the Jacumba Sponsor Group's denial on the revised JVR project plans.

Since there will be a special sponsor group meeting on Thursday, Jun 17, I would like to be able to update the group on where the project currently stands.

Specifically do you know what day the Final EIR will be released?

How many copies of the document will Jacumba get and how will we get them?

Also what date will the JVR project go before the Planning Commission and the BOS?

Thanks in advance for your prompt response.

Cherry
