Good Afternoon,

Could you please tell me what is the status of this request (see attached)? We submitted a request on October 8, 2020 for immediate access to any and all documents **referenced, incorporated by reference, and relied upon in the Draft Environmental Impact Report** prepared for the JVR Energy Project (SCH No. 2019039044, Major Use Permit No. PDS2018-MUP-18-022). This request excludes any documents that are currently available under the Project's name on the County of San Diego Website. I understand that public comments on the DEIR are due by November 23, 2020.

Please let me know.

Thank you for your assistance.

Regards,
Sheila
