Hi Donna,

Our intent is to allow three minutes per person, however we are unsure on the number of speakers and we want to ensure that everyone has an opportunity to speak.

Hi Nicholas,

Thank you so much, this is very helpful. Do you know if speakers will be allotted 3 minutes, or will it depend in part on the number of speakers?

Thanks,

Donna

Hi Donna,

Thank you for your email.

The County will be making a brief presentation followed by a public comment period.

If you are participating by phone, we will call out the last four digits of your phone number and ask if you wish to speak.

If you are participating on the computer through TEAMS (see link below), you will click on the raised hand button if you wish to speak. You will be able to comment through your computer mic.

The presentation will explain how to participate and make comments.

We are asking participants not to use the chat feature.

Also, the comments will not be recorded and written comments will still need to be submitted.

Subject: tonight's online/phone in public meeting

Hi Nicholas

I had some questions about tonight's public meeting on the energy project DEIR (PDS2018-MUP18-022). I haven't participated in any meetings since Covid changed things.

Are you allowing comments tonight or is it informational only? If someone wants to comment, how do they let you know (in the chat?) and how much time is allotted to them?

Thank you in advance for any help you can provide!

Best,

Donna
