Subject: JVR Energy Park DEIR Comment Letter from California State Parks

Hello Susan,

Please accept the attached letter for consideration by the County of San Diego and the JVR Energy Park project applicant as comments submitted on behalf of California State Parks' Colorado Desert District and Anza-Borrego Desert State Park for inclusion in the project's environmental impact report. Confirmation of receipt would be appreciated.

Please let me know what question you may have and if a Word document of the comment letter may be useful to you. I can also forward along the hard copy should that be helpful.

On behalf of the Colorado Desert District staff, I want to thank you for the opportunity to participate in this process. I personally appreciate the working relationships we've developed and have enjoyed our meetings, site visits, and phone conversations.

Sincerely,
Terry
