Hi Susan,

I was retracing my steps of what I did. I thought we had received a public notice from the County by email and not the CEQA Net website re: the JVR Energy Park DEIR.

All the information I found was downloaded from the link below that we commented on for the letter. Naturally, we had the SCH# from the NOP to use as a reference.

Thanks for letting me know to ignore the actually DEIR as it makes its way to the SCH.

Btw, I noticed your 831 area code. I used to work with many of the staff members at SCCRTC, AMBAG, Santa Cruz Metro and some City of Santa Cruz, Watsonville staff on planning grants for many years when I was at Caltrans in San Luis Obispo. I am sure we've worked with the same people over the years. I still have those folks on my contact lists. Also, Jacob Armstrong was my supervisor for four years and knew him before coming to San Diego.

Thanks,
