Hi Mark,

I want to introduce myself to you. My name is Geoff Fallon and I lead the Development team here at BayWa. I'm guessing you've heard that Patrick Brown has decided to leave BayWa so I wanted to quickly reach out to speak with you.

Do you have some availability to speak for 15 minutes still this afternoon? Alternatively, please let me know if you have some availability tomorrow and I will make myself available then.

Besides a quick introduction, I wanted to discuss with you BayWa's commitment to this project and how high a priority it is within our organization, discuss points of contact going forward, and the permitting schedule for the project.

I look forward to speaking with you!

Regards,  
Geoff
