Jeff- I think JVR was the last project that did this notification due to its proximity to the border.

Nick- do you have a contact you can share?

Thanks,

Ashley

Subject: contact at Dept. of Homeland Security?

Hi Bronwyn and Ashley,

Board Policy I-111 says we must notify the Dept. of Homeland Security of any discretionary permit applications withing 150 feet of the international border. This also is required by Ordinance 7247, D1 Designator.

Do we have a contact at DHS for such projects?

Jeff
