Hi Ed,

With large projects we usually set up a meeting with the community so we can walk them through hearing logistics. Since it will be a hybrid of in person and virtual we would like to schedule this with the community so they know expectations.

Can you include all of us in this email and have an hour set aside for Ashley and us and then Nick with forward this invite to the Community Members.

The meeting should occur late next week or Mon/tues before the PC Hearing on July 9<sup>th</sup>.

Thanks so much.
