Hey Nick,

I'm going through the BL for JVR. I didn't want to go marking up the version in teams, but I wanted to see what you think about the attached revised overview section. I tried to keep it as simple as possible which is super important for LUEG and the Board.

Could you let me know what you think and if you're good with the changes (and I didn't factually mess anything up) can you incorporate it into the teams version?

I'm getting through the rest now.

Thanks,

Ashley
