New eComment for Planning Commission Hearing

Eduardo Carnalla submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: It's always not in my backyard, but we can't wait to make the switch to renewable energy, I just installed solar on my home, everyone should do it, I would require visual mitigation on this project by creating a native flora (specially oak) forest around the area. Look into limiting panel density to maintain undisturbed land intermixed with panels.
