Subject: JVR - Meeting with Traffic Engineer
Date: Wednesday, February 17, 2021 4:16:51 PM
Attachments: [image001.png](#)

Hi All,

I will be continuing on the project for the time being, so I will be able to schedule a meeting with the DPW Traffic Engineer, Zoubir Ouadah. His schedule is pretty busy, but he has availability next Friday at 11am and after 2:30pm. Please let me know if one of those times would work for you.

Also, please send a list of your questions/discussion items along with the latest plot plan so we can be prepared for the meeting.

Thank you,

Tona Avalos, PE

Senior Civil Engineer

Second Opinion: *A second opinion is available on any interpretation or correction provided and will not affect the level of customer service you receive. We ask you to provide your interpretation of the code along with any health and safety concerns that the interpretation may cause and how this will affect your project. The second opinion will come from one of our senior staff or a supervisor who will have a chance to take a deeper look at supporting documentation on both sides of the issue.*
