New eComment for Planning Commission Hearing

HAROLD MEREDITH submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: As a homeowner in the quaint little town of Jacumba i vehemently oppose the solar project as it would have such a negative impact on the area and ruin a community that has long standing history and is a critical part of San Diego's back country. My wife has owned a house in Jacumba for over 20 years and this would make the area ugly and would be a terrible eyesore for any area anywhere!!!! Please do not ruin our little community when there are alternatives available. Please reconsider!!!!
