New eComment for Planning Commission Hearing

Natalie Richards submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: I am opposed to the JVR Energy Park. The placement, footprint and long term effects of this project will hurt this developing town. Jacumba is a special place, with an incredible community that was once rich with history and now is in the process of a revitalization that will bring continued growth for not only the community, but for visitors and wildlife.
