New eComment for Planning Commission Hearing

John Reddan submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-18-022. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: Another large scale project that is damaging the area by seriously degrading the livability of the area and thereby decreasing the property values, all to produce power for people that don't live in the area, and to profit a foreign owned corporation. There is nothing in this project that benefits the folks that live in the area.
