New eComment for Planning Commission Hearing

Kathryn Leidy submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-18-022. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: Opposed The JVR solar project is not anything the people of this community want ! It would be an eye sore for everyone We do not benefit in anyway from this project and shouldn't have to surrender to greedy people who could care a less about the residents of Jacumba. Between the wildlife and our own water supply we do not need city corruption to take away what has always been a natural untouched land Keep your hands off Jacumba! !
