Lacy Maxfield submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: As a resident of Jacumba for the past 30 years I oppose the JVR solar project. I've watched businesses open and close due to the impact of the government/economy and the several attempts at building the wall the construction traffic has destroyed our roads and affected our water supply and the tranquility of our small community. Our town has been a dumping ground for to long. We are finally seeing Jacumba come back to life the solar project will destroy the progress and growth of our community.
