New eComment for Planning Commission Hearing

Melissa Strukel submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: As a member and business owner in this community, I oppose the current proposed project. This town has a rich history in the sacred healing waters, native Kumeyaay sites, the scenic Old Highway 80 as well as the wildlife and plant life of the Sonoran Desert. We want this town to generate jobs for the locals and create a infrastructure which will be a major part of the San Diego tourism industry. I support the alternative plan which will at least give our town hope for the future.
