New eComment for Planning Commission Hearing

Matthew Spencer submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-18-022. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: I oppose the current proposed project and support the alternative plan to decrease the solar farms size and adjust placement so as not to encroach on this historic town that is currently being revitalized for the benefit of the residents, visitors and wildlife.
