Hi Cherry,

I will check to see if I can put a copy in the hearing chambers tomorrow. It will be available in the lobby in the building next door at the Zoning Counter.

You can email Ann Jimenez and I for your comments.

You can also email me or provide a link to a dropbox or something with your presentation past 4pm today and I can check that it works.

If you do not have the presentation finished later tonight, you can also bring in your presentation on a flash drive from 8-8:30am tomorrow. The hearing room opens to the public at 8am tomorrow.

Subject: pc hearing

Hi Nick,

I have three questions...

- 1. Will there be a printed copy of volumes 1 and 2 of the FEIR in the hearing chambers during the project hearing?**
- 2. I am still working on the Sponsor group's comments on the FEIR and PC Hearing Report. I expect to have them ready before 4 pm today. To whom do I email my comments to so that they will become an official part of the PC hearing record?**
- 3. If I am not finished with my Power Point presentation before 4pm today, can PDS staff get it ready to go if I arrive with a flash drive at the COC NLT 7:45 tomorrow?**

Thanks in advance for your prompt response to my questions.
