Subject: Board of Supervisors hearing on August 18th

Hi Nick,

Since I have never made a presentation at a Board of Supervisors' hearing, I am hoping that you can provide me with information about hearing procedures and protocols. Such as the order of speakers, the amount of time for my presentation and other community members, and availability of parking, etc.

Also please provide me with a link where I can review the JVR Project's administrative record to ensure that all of the Jacumba Sponsor Group's previous correspondence on the Project has been included.

Finally, please confirm the deadline by which new correspondence must be received by the clerk of the board to be included in the BOS hearing package for the August 18

hearing.

Thank you in advance for your help.
