Hi Lauren,

I am so sorry if I did not make my request in my previous email clear.

I am aware that organized group's are normally given ten minutes to make their BOS presentation and that all three members of the group must speak. **I was asking that the Jacumba Sponsor Group be given an extra five minutes or a total of 15 minutes to make our presentation.** Would you kindly make that request to Chair Fletcher?

Thanks in advance for your help.

Hello Cherry,

I am happy to assist you. Group presentations need a minimum of 3 presenters and can speak for 10 minutes. Each member of the group needs to address the board during the group presentation.

The agenda for the August 18th meeting should be up by next Wednesday, August 11th and [can be found here](https://www.sandiegocounty.gov/content/sdc/cob/bosa.html). (<https://www.sandiegocounty.gov/content/sdc/cob/bosa.html>). If you would like to request to speak as an organized group), please e-mail publiccomment@sdcounty.ca.gov with the agenda item title and the names and phone numbers of each speaker before 9:00 a.m. on the day of the meeting.

Please let me know if you have any further questions or concerns.

Thanks,

Lauren

Hi Lauren,

Ashley Smith at PDS, gave me your contact info as Supervisor Fletcher's POC for BOS hearings.

I am the Chair of the Jacumba Sponsor Group. The sponsor group will be making a group presentation on the impacts of the proposed 600-acre Jacumba Valley Ranch (JVR) solar facility on our small, diverse and underserved community at an upcoming BOS hearing. The very complex JVR project, which will be placed next to residences, along both sides of scenic Hwy 80, and around three sides of the Jacumba Airport runway is expected to be on the agenda for the August 18 BOS hearing. If possible, I am requesting 15 minutes be allowed for our sponsor group presentation at that hearing.

Thank you in advance for your help with this matter. I look forward to hearing back from you at your earliest convenience.
