Good morning. This is a friendly reminder that we need your Q&A & PPT notes slides for next week's BOS hearing **THIS MORNING**. Please email the link or file so I can print them for her binder. If you'd prefer to bring them over I've left Kathleen's binder on the counter and you can put them in yourself. **If you are bringing over your materials after 12 PM**, please print them out and place them in her binder yourself. Remember that as you hand things over to her she's reading them so, if you have changes, try help her know what the changes are and keep them to a minimum.

Subject: 8/18 BOS Hearing Q&A & PPT by Friday, 08-13 (Morning)
Importance: High

Good afternoon. Please send me the Q&A & PPT notes slides for all the items coming up at the BOS hearing for this Wednesday, August 18 to place in Kathleen's binder for review. She needs these documents to study so please get them to us no later than this Friday, 8/13. If you need more time to edit the documents please be aware that she's studying them on Friday and probably over the weekend so try to make the changes minimal.

If I can just grab them from Teams, that's great too. Just let me know they're in there and I'll

print them out.

Please note that I work from home on Monday and Tuesday of next week so if you don't get them to me by this **Friday morning, 8/13**, I'll need you to place them in the binder yourself. Her binder is on the counter by her office. You'll probably need to hand her any documents you don't get to us by Friday mid-day because she'll be studying them in her office that afternoon.

Agenda Items:

1. JVR EIR
2. Final Engineering Flexibility
3. CEQA Guidelines for Hydrology and Water Quality
4. Montecito Ranch
