Lisa Hawes emailed Sunday that she expected comments from Manzanita by end of day today – so have not received comments yet.
Can you confirm this Donna?

Didn't they respond on Sunday? Thought that was Manzanita.

Donna reached out to Manzanita last week and did not hear back from them.

SOHO provided comments, but they did not show up to the PC hearing.

Mark

I was reviewing ecomments for JVR and saw that SOHO was referenced. Did staff have any contact with SOHO.

Also, did staff follow up with the Manzanita Band of the Kumeyaay Nation and get confirmation on if they would be commenting on the JVR projects or if they have any outstanding questions? I was reviewing ecomments and there were two comment mentioned that the are has native American significance. The comments did seem to come from a tribal government but I thought I would give you a heads up. I am trying to reach out to the Manzanita tribal government office but I have not been able to get in touch with anyone.

Thanks
