Subject: JVR Energy Park - Community Benefits

Team,

As discussed, here is the package we are willing to commit to verbally to Board of Supervisors' staffs right now. Please await Jared's signoff prior to communicating this.

- \$250K to JCSD – signed
- \$75K to IVDM – signed
- \$125K to San Ysidro Health – proposal received, needs edits, email commitment, agreement unsigned
- \$700K to Jacumba Community to “Powering Jacumba with Solar” – partner undetermined, agreement unsigned
- Verbally and informally, this is the minimum, we are considering an additional \$165K for other community benefits separate from “Powering Jacumba with Solar” and we are considering an additional \$300K for “Powering Jacumba with Solar”

[@Jared Quient](mailto:Jared.Quient@baywa-re.com), can you please provide your OK to start informally / verbally communicating this?

Thanks,
Geoff
