NOTES

1. This plan is subject to change without notice. Final layout and design details will be determined by the landscape architect.

2. All elevations are approximate and may not reflect final grade.

3. All distances are approximate and may not reflect final layout.

4. All planting areas are approximate and may not reflect final layout.

5. All material quantities are approximate and may not reflect final layout.

6. All lighting fixtures are approximate and may not reflect final layout.

7. All irrigation systems are approximate and may not reflect final layout.

8. All signage is approximate and may not reflect final layout.

9. All materials are subject to availability and may not reflect final layout.

10. All dimensions are approximate and may not reflect final layout.

11. All plant species are approximate and may not reflect final layout.

12. All materials are subject to availability and may not reflect final layout.

13. All signage is approximate and may not reflect final layout.

14. All lighting fixtures are approximate and may not reflect final layout.

15. All irrigation systems are approximate and may not reflect final layout.

16. All elevations are approximate and may not reflect final grade.

17. All distances are approximate and may not reflect final layout.

18. All planting areas are approximate and may not reflect final layout.

19. All material quantities are approximate and may not reflect final layout.

20. All lighting fixtures are approximate and may not reflect final layout.

21. All irrigation systems are approximate and may not reflect final layout.

22. All signage is approximate and may not reflect final layout.

23. All materials are subject to availability and may not reflect final layout.

24. All dimensions are approximate and may not reflect final layout.

25. All plant species are approximate and may not reflect final layout.

26. All materials are subject to availability and may not reflect final layout.

27. All signage is approximate and may not reflect final layout.

28. All lighting fixtures are approximate and may not reflect final layout.

29. All irrigation systems are approximate and may not reflect final layout.

30. All elevations are approximate and may not reflect final grade.

31. All distances are approximate and may not reflect final layout.

32. All planting areas are approximate and may not reflect final layout.

33. All material quantities are approximate and may not reflect final layout.

34. All lighting fixtures are approximate and may not reflect final layout.

35. All irrigation systems are approximate and may not reflect final layout.

36. All signage is approximate and may not reflect final layout.

37. All materials are subject to availability and may not reflect final layout.

38. All dimensions are approximate and may not reflect final layout.

39. All plant species are approximate and may not reflect final layout.

40. All materials are subject to availability and may not reflect final layout.

41. All signage is approximate and may not reflect final layout.

42. All lighting fixtures are approximate and may not reflect final layout.

43. All irrigation systems are approximate and may not reflect final layout.

44. All elevations are approximate and may not reflect final grade.

45. All distances are approximate and may not reflect final layout.

46. All planting areas are approximate and may not reflect final layout.

47. All material quantities are approximate and may not reflect final layout.

48. All lighting fixtures are approximate and may not reflect final layout.

49. All irrigation systems are approximate and may not reflect final layout.

50. All signage is approximate and may not reflect final layout.
