Douglas Harrison

I114-1 The commenter states he is opposed to the Proposed Project which is completely at odds with the character of the town. The commenter states the town is already in trouble and this Project will only hasten its demise. The commenter further states “please do not let this ill-advised project go forward.” In response, the County acknowledges the commenter’s opposition to the Proposed Project. The comment does not raise an issue regarding the adequacy of the analysis contained within the Draft EIR; therefore, no further response is required.
