RE: JVR Energy Park (PDS2018-MUP-18-022) DEIR signed Petitions

Dear Ms. Harris,

Enclosed are JVR Energy Park petitions signed by the residents of Jacumba who overwhelmingly are against the placement of the JVR Energy Park so close to Jacumba Hot Springs. **They are asking the County Board of Supervisors to deny this project because it will forever destroy the community character of the small village they call home.**

Sincerely,

Cherry Diefenbach
