

Response to Comment Letter I130

Cherry Diefenbach

- I130-1** The comment is a cover letter to a petition. The commenter states the signed petition is from Jacumba residents who are vehemently opposed to the Proposed Project. The comment also states individuals signing the petition “unanimously believe this massive solar project would be a nail in the coffin with regards to Jacumba’s future.” In response, please refer to Comment Letter I131 (petition and signatures) and Responses to Comments I131-1 through I131-14. The comment does not raise an issue regarding the adequacy of the analysis contained within the Draft EIR; therefore, no further response is required.
