

**Response to Comment Letter I87**

**Jeff Osborne**

- I87-1** The commenter states he may have sent his original email to the wrong address and that County staff is on vacation until the comment period ends on November 23, 2020. In response, the commenter’s original email was received by County staff on November 12, 2020 and is included as Comment Letter I84.
- I87-2** The commenter requests a 15-day extension due to extenuating circumstances regarding their community and the County raising its Tier Level which is restricting the community’s access to comment and read the EIR. The commenter also states Jacumba Hot Springs is a rural community with limited internet access and skews toward the elderly. The commenter further states most residents are active users of the library but since COVID hours have been limited. In response, the County staff extended the Draft EIR public review comment period by two weeks. Please refer to Response to Comment I84-2.
- I87-3** The commenter states that many residents in the area have no internet or limited access and the physical print out of the EIR is their only way to review it. In response, please refer to Response to Comment I87-2.
- I87-4** This concluding comment requests the County please consider the requested 15-day extension to give residents more time to review the document. In response, the comment period was extended by two weeks. Please refer to Response to Comment I87-2.
