

Response to Comment Letter I97

Janet Hil

I97-1 The commenter states “Don’t do it. I have lived here more than half my life. We don’t need any ugliness around. It won’t help the town of Jacumba.” The commenter further states “we won’t get anything out of it . . .” The comment does not raise an issue regarding the adequacy of the analysis contained within the Draft EIR; therefore, no further response is required. However, please refer to Global Response GR-1 Socioeconomics and Environmental Justice in the Final EIR, which discusses the relationship between socioeconomic considerations and CEQA.
