- My concerns regarding proposed Recycling plant on Mesa Rock Rd
1. Traffic: I-15 already stop/go @ peak times; Mesa Rock & Center City underdeveloped for major 18 wheeler trucks
 2. Air quality and noise; several schools, businesses, memory care facility & thousands of residents in proximity
 3. Fire
 4. Property values will plummet
 5. How will plant be monitored? Prevent asbestos, hazardous waste from being recycled
 6. Need & should require updated EIR - North Co has immense growth/traffic since 2011
 7. Landscape destroyed by immense plant, roads, etc.

Mail to: I am original owner of Belle Marie Winery on mesa rock rd, will be 20 yrs old next yr. This will have huge negative impact on our business. Thank you!
