Issues raised in this comment related to the health and safety of humans, wildlife impacts, groundwater use, and fire risk are discussed in the Draft Program Environmental Impact Report; see Chapters 3.1.4, Hazards and Hazardous Materials and 2.3, Biological Resources and Sections 3.1.5.3, Groundwater Resources, and 3.1.9.3, Water.

The commenter’s opposition is acknowledged.
In addition to my aforementioned concern, I am in total support of the Boulevard Planning Group, Backcountry Against Dumping, and the Protect Our Communities Foundation in their justified opposition and efforts to stop all these commercial solar projects.
