Good morning Ms. Brickey,

I have a quick question. We are in the process of responding to comments for an EIR, and once of the comments relates to Mr. David Bittner's eagle data submittal to the USFWS. We understand that his data has been submitted to the FWS or Bird Banding lab now.

It would help us if we knew the date that the data was provided or simple confirmation that his data has been provided.

Thank you for your time and consideration. I would be happy to get into more detail if needed.

Sincerely,
