Hi Poonam,

Just wanted to check in on your schedule for July 31st. If you will be in Sacramento on the 31st, can you please let me know some other dates that week or the following week that you would be available for 2 to 3 hours?

Thanks,

Ashley

Hi Poonam,

I have been holding weekly meeting with the Soitec folks and I believe I originally had AQ /GHG scheduled for July 24th.

The applicant has requested that we meet at our July 31st meeting (9am-12) instead to discuss AQ /GHG. They have also asked that we schedule a follow up meeting on August 9th (9am-12) to wrap up the AQ /GHG section.

Would you be available to attend those two meetings? I will send you the scheduler, but please confirm this is doable for you as I know that Wednesdays are not your typical day in the County offices.

Thanks!

Ashley
