Attention Jim Bennett

5510 Overland Avenue, Suite 310

San Diego, CA 92123

Dear Mr Bennett,

I am writing to offer my thoughts and ideas about the scope and nature of the environmental impacts that can and will be caused by the El Monte Valley Sand Mining Project. I ask that these concerns be thoroughly considered in the preparation of the Environmental Impact Statement.

This project will negatively impact:

my well, and I am concerned
about West Nile, Valley Fever for
the residents and schools. The
impact on life on animals
and people. please don't do this
to us. in Jesus name

Sincerely,

Jenny Earle
