WRITTEN COMMENT FORM

I have many concerns about this proposed mining operation. Lifelong (53 yrs) Lakeside resident. Several endangered or threatened species are denizens of El Monte Valley. Valley Fever spores are present in the soil. As a 13-yr. naturalist for the Audubon Society (181-'94; Silverwood Wildlife Sanctuary on Wildcat Cyn. Rd.), I know this area is crucial to the corridor.

I will send an email w/ additional concerns.
