WRITTEN COMMENT FORM

Planning and
Development Services

I am eighty years old - a San Diego native and have been to El Monte Park for many years. I have also been aware there has been an infestation of Valley Fever in the El Monte Valley. It is to me an abomination that any person or persons would want to spread Valley Fever to wherever the sand would be relocated. And what for? Money! Where is their conscience? Where is their moral integrity? Where is their common sense? Leave the El Monte Valley alone!
