

San Diego County Code of Regulatory Ordinances
TITLE 5 BUILDINGS AND BUILDING REGULATIONS*
DIVISION 1. COUNTY BUILDING CODE*

SEC. 51.511.1. STREET LIGHTS REQUIRED.

The owner shall install a **street** lighting system that provides the level of illumination specified in the current San Diego County Standards. Installation shall be in accordance with plans and specifications that meet the approval of the Director, Department of Public Works.

The territory under development shall be annexed, without notice and hearing, to an existing lighting district or lighting maintenance district.

The owner shall deposit with the County of San Diego, through the Director, Department of Public Works, fees sufficient to:

- (a) Pay the State Board of Equalization processing fee for annexation to the district.
- (b) Operate and maintain the **street lights** until tax revenue resulting from the annexation begins to accrue.
- (c) Augment the Reserve Fund of the existing district by an amount equal to the anticipated cost of operating and maintaining the **street lights** for three months.
- (d) Augment the Reserve Fund of the existing district by one month's **street** light operating costs.
- (e) Any other fees pertaining to **street lights** that may be **required** by the Board of Supervisors.
