

County of San Diego, Planning & Development Services
CONSTRUCTED STEEL BUILDING CERTIFICATION
BUILDING DIVISION

Re: Record ID: _____
Site address _____

To County of San Diego Building Official:

I, _____, being an engineer/architect (circle one) registered in the State of California, do hereby certify that I have observed and inspected the construction of the _____ long by _____ wide steel building constructed for _____, owner on application, and that, to the best of my knowledge and belief, the building has been erected in accordance with the approved plans, calculations, and all requirements of the current *California Building Code* as amended and adopted by the County of San Diego.

This certification is made under penalty of perjury.

Signed: _____

Date: _____

Registration/license number: _____

Phone number: _____

NOTE: This completed certification must be provided to the Planning & Development Services building inspector at the time of final inspection. Occupancy will not be given and clearance to the gas and electric company will not be initiated until the building has passed final inspection.
