BUILDING DIVISION

Date: _____

Plan Check #: _____

As the owner of the property in question (or the agent of the owner) I request expedited processing of these plans through the plan check process. I am aware of and agree to additional fees, being \$149.00 an hour for the engineer's review and \$189.00 an hour for planner's review (if required). I also understand that an initial deposit equal to the first hour will be collected before plan review begins and the balance will be collected upon completion of plan review and prior to issuance of the building permit.
