ITEM 3- The Scott and Janette Smith House, Jamul; MAA 12-003

Location: 3287 Vista Diego Road, Jamul, CA 91935
Supervisor District: 2 – Dianne Jacob

Description: The Scott and Janette Smith house is a Modern Adobe Organic Geometric style house designed and built by Larry Weir in 1976. According to the historical report, the house embodies the distinctive characteristics of the mid-1970s Modern Organic Geometric construction in a natural adobe motif. The property represents a notable and representative example of the work of designer/builder Larry Weir who is regarded as an important, creative individual. The applicant is requesting that this resource be found significant under item V(b)(3) of the Local Register that identifies a resource as

significant if it embodies the distinctive characteristics of a type (Modern Adobe Geometric design) and because it represents the work of an important creative individual (Larry Weir). The applicant has also applied for a Mills Act Contract.

Today's Action: Consider the Scott and Janette Smith house application and make a recommendation to the Director of Planning & Development Services regarding placement of the resource on the Local Register of Historic Resources and for participation in the Mills Act Contract.

Staff Recommendation: Staff does not have a recommendation on this item.
