Building & Safety Requirements

- One tasting/retail sales area, in addition to the Microbrewery or Micro-Distillery structures, not exceeding 30 percent of the total square footage of all permitted production facility structures and shall comply with the requirements cited in sec. 6157(d)(1)(f).
- All accessible public areas shall be in compliance with applicable Building and Health Codes.
- For properties using groundwater, a study shall be submitted to demonstrate that there is adequate groundwater to support the proposed use (see PDS Groundwater Geologist for determination of extent of study).
- One on-site sign shall not exceed four (4) square feet.

THE AGREEMENT BELOW MUST BE SIGNED FOR THIS APPLICATION TO BE CONSIDERED COMPLETE:

I, the property owner, understand that the Small Microbrewery/Micro-Distillery proposed at _____ must comply with the requirements of the County of San Diego Grading Ordinance, Stormwater Ordinance, Watershed Protection Ordinance, Zoning Ordinance, and regulations related to Noise Abatement and Control of the San Diego County Code of Regulatory Ordinances.

If the Small Microbrewery/Micro-Distillery permitted and installed on my property at any time does not meet the requirements of these ordinances, I understand that the County of San Diego will take enforcement action to bring the Small Microbrewery/Micro-Distillery into compliance with current requirements.

Signed,
