FEE NOTES

1. Verify in ACCELA whether the Applicant has paid, or needs to pay, the **Condition Satisfaction Review/Mitigation Monitoring Compliance Fee**.
 - Look in the ACCELA Permit Fee Summary to see if the applicant has previously paid any amount.
 - If any fee amount has been paid then there is no need to collect any additional fees for the condition satisfaction submittal.
 - If the Applicant has not previously paid the fees then refer to **FEE NOTE #2** below.

2. If the project was approved **BEFORE February 5, 2007**, then **No fee** is collected at the Zoning Counter. The applicant will be contacted and billed “Time and Materials” for review prior to release of determination. Skip to **GENERAL NOTES 4 - 7** below.
3. If the Project was approved **AFTER February 5, 2007**, then the applicant needs to pay the **Condition Satisfaction Review/Mitigation Monitoring Compliance Fee**.

- The fee is collected using a 1-5 condition multiplier (see **FEE CALCULATION TABLE**).
- The ACCELA fee amount is set, however the fee needs to be multiplied to increase the fee amount based upon the number of conditions.
- The total fee amount will only be collected one time at the initial submittal. No additional fees will be required for future submittals.
- See the **FEE CALCULATION TABLE** below to determine the total one time review fee.
- Look for the following **NOTICE** that is at the end of the DECISION or RESOLUTION, which will determine how many conditions that the applicant will be charged for:

NOTICE: *The project will be required to pay the Planning & Development Services (PDS) Mitigation Monitoring and Condition Review Fee. The fee will be collected at the time of the first submittal for Condition Satisfaction, which includes Mitigation Monitoring requests. The amount of the fee will be determined by the current Fee Ordinance requirement at the time of the first submittal. The amount of the fee will be based upon the amount of PDS conditions that need to be satisfied. The fee amount will only be paid one time for those conditions that are indicated with the [PDS, FEE] designator. The fee will not apply to subsequent project approvals that require a separate submittal fee such as, Revegetation and Landscape Plans, Habitat Management Plans, Habitat Loss Permits, Administrative Permits, Site Plans, and any other discretionary permit applications.*
