In interpreting and applying the provisions of these regulations, they shall be held to be the minimum requirement for the promotion of the public health, safety, comfort, convenience and general welfare. It is not the intent of these regulations to interfere with or abrogate or annul any easement, covenant or other agreement between parties. When these regulations impose a greater restriction upon the use of buildings or land, or upon the height of buildings, or require larger open spaces than are imposed or required by other ordinances, rules, regulations or by easements, covenants or agreements, the provisions of these regulations shall control.

1012

1012 NO RELIEF FROM OTHER PROVISIONS.

Except as otherwise specifically provided, no provision of this Zoning Ordinance shall be construed as relieving any party to whom a site plan, permit or variance is issued from any other provision of state or federal law or from any provision, ordinance, rule, or regulation of the County of San Diego requiring a license, franchise, or permit to accomplish, engage in, carry on or maintain a particular business, enterprise, occupation, transaction or use.

1014 SEVERABILITY OF PROVISIONS.

If any section, subsection, sentence, clause or phrase of this ordinance is for any reason, held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of these regulations, it being hereby expressly declared that this ordinance and each section, subsection, sentence, clause and phrase hereof would have been prepared, proposed, adopted, approved and ratified irrespective of the fact that any one or more other sections, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

1016 ORDINANCE SUPERSEDES EXISTING ZONING ORDINANCE.

This Zoning Ordinance supersedes Ordinance 1402, as amended, of the County of San Diego, including those provisions of Ordinance 1402 that apply specifically to the 37 zoning districts number 1, 4, 7, 8, 9, 12, 13, 15, 16, 19, 20, 23, 24, 26, 35, 37, 40, 41, 43, 44, 46, 48, 50, 51, 52, 53, 54, 56, 57, 58, 59, 60, 61, 62, 63, 64, and 65, referred to in Articles XXXVI to XCIX of said Ordinance, and to the extent that Ordinance 1402 is inconsistent with this Zoning Ordinance, it is hereby repealed. If any provisions of this Zoning Ordinance should be determined to be not applicable to land regulated by said Ordinance 1402, the provisions of Ordinance 1402 shall continue to apply. Nothing in this Ordinance shall be construed as validating or legalizing any land use or building or structure, conducted, constructed, erected, or maintained in violation of any County ordinance, and nothing in this ordinance shall prevent or bar the filing of a complaint or punishment of any in violation of said Ordinance 1402 or bar the bringing of any action or compel the discontinuance of any use or the removal of any building or structure conducted, constructed, erected, or maintained in violation of said Ordinance 1402. Insofar as the provisions of this ordinance impose the same regulations as imposed by said Ordinance 1402, this ordinance shall be construed as a continuation of said Ordinance 1402 and not as a new enactment.

(Amended by Ord. No. 7576 (N.S.) adopted 1-11-89)

1017

Notwithstanding any provision of Section 1016 to the contrary, any zone reclassification adopted pursuant to Ordinance No. 1402 (New Series) and prior to the operative date of this Zoning Ordinance shall on the effective date of said reclassifications be deemed automatically converted to the comparable zones under this ordinance, as said comparable zones are specified in Ordinance No. 5312 (New Series).

(Added by Ord. 5328 (N.S.) adopted 12-13-78)

1018 COMPLETION OF EXISTING BUILDINGS.

Nothing herein contained shall require any change in the plans, construction or designated use of a building or structure for which a building permit has been issued prior to the effective date of any amendment of these regulations provided that actual construction of such building or structure is commenced within one calendar year after the date of issuance of the building permit and is completed within three calendar years from issuance of said building permit and provided further that such construction and proposed use of such building or structure is not on said effective date in violation of any other ordinance or law. Actual construction is hereby defined for purposes of

this section, to be the actual placing of construction materials in their permanent position, fastened in a permanent manner, except that where a basement is being excavated such excavating shall be deemed to be actual construction, or where demolition or removal of an existing structure has commenced preparatory to rebuilding, such demolition or removal shall be deemed to be actual construction.

(Amended by Ord. No. 6543 (N.S.) adopted 3-2-83)

(Amended by Ord. No. 6983 (N.S.) adopted 7-03-85)

1019 EFFECT OF AMENDMENTS UPON PENDING APPLICATIONS.

- a. Any application for a permit or other approval regulated in any manner by the provisions of this Zoning Ordinance shall only be required to meet the provisions of this Ordinance that were in effect on the date that application was deemed complete. The foregoing provision relates only to individual application(s) regulated by the Zoning Ordinance, not to the overall project (for which several applications may be required).
- b. For purposes of this section, an application is "deemed complete" 30 days following the date it was submitted, unless the applicant has been informed that the application is not complete, or at such earlier date that the County informed the applicant that the application was complete.
