

## **YTC Clinic Officer/Medical Isolation**

### **1301.1 PURPOSE AND SCOPE**

This policy outlines the procedures of youth waiting to be seen by the clinic or forensic staff. The San Diego County Probation Department recognizes the importance of maintaining the clinic Movement Log, monitoring the behavior of youth while in the clinic, assisting clinic staff in the orderly and efficient movement of youth, and notifying Central Control of foot traffic existing in the clinic.

### **1301.2 POLICY**

It is the policy of the San Diego County Probation Department to establish guidelines and procedures for maintaining the safety and security of the youth in the clinic and medical isolation.
