

YTC Administrative Removals (AR) of Youth

1314.1 PURPOSE AND SCOPE

The San Diego County Probation Department recognizes the importance of a safe removal process; therefore every attempt shall be made to allow the youth to walk on their own to the designated area, and the process should be closely supervised by officers and in the presence of the Watch Commander. The use of physical force shall only be used when less restrictive methods have failed and when authorized by the Watch Commander.

1314.2 POLICY

It is the policy of the San Diego County Probation Department to ensure the safety and security of youth and officers during administrative removals of youth, from an incident area and to a secured designated area within the Youth Transition Campus (YTC), due to serious safety and security concerns.
