

YTC Central Control

1316.1 PURPOSE AND SCOPE

The San Diego County Probation Department recognizes the importance of Central control to have officers (Pilots) that are skilled in verifying individuals' identity prior to allowing them remote access to enter or exit any area within the facility. They will also be responsible in remotely monitoring and controlling doors, sally port gates, etc. to ensure and maintain the safety and security of everyone in the campus.

1316.2 POLICY

It is the policy of the San Diego County Probation Department to establish guidelines and procedures in remotely monitoring and controlling youth, officers, and staff movements within YTC using video and Control Matrix touch screen technology installed in Central Control.
